

**WB20XT**

The powerful WB20XT is a portable 2" volume pump with a 32m head that delivers a maximum capacity of 620 litres per minute.

## INTRODUCTION

### DECADES OF ENGINEERING

---

A premium Volume Water Pump, the WB20XT has been designed with the end user in mind, for whatever application you want to use it in.

---

Drawing on decades of engineering advancements, the Honda GX120 engine that powers the WB20 ensures easy starting, easy usage, outstanding fuel economy, low emission and long-lasting durability.

---

With oil alert and rubber mounts, the full frame type provides stability and delivers smooth running with less vibration. The result is a reliable, long-lasting pump that will perform day in, day out.

---

### PERFORMANCE/USABILITY

---

With capacity to deliver 620 litres per minute, this 2" Volume Water Pump has a maximum suction head of 8m and a maximum total head of 32m.

---

Like so many other Honda products, the WB20 starts first time, every time with Honda's famous one pull easy start system.

---

It runs on unleaded fuel, so you'll never have to mix oil and petrol again. The result? An environmentally-friendly pump with low emissions & fuel consumption.

---

### HONDA'S RANGE OF PUMPS

---

Honda Water Pumps offer a level of uncompromising performance to a wide variety of water transfer applications.

---

Designed for easy starting, priming and dependable service, used throughout the world for over 20 years, Honda water pumps have earned a reputation for unsurpassed reliability and performance.

---

These pumps are known for their durable construction, quality engines and easy portability; features that apply to all categories of Honda pumps.

---

### WARRANTY

---

All Honda pumps come with an impressive 4 Year Domestic Warranty and 1 Year Commercial Warranty, giving you added peace of mind.

When combined with a network of over 450 authorised independent dealers around Australia, you've got some serious back-up with a Honda pump.

There's no question; if you're after a quality investment that won't let you down, the Honda WB20 is just the pump for you.
